From The Deputy Commissioner

To The Chief Secretary to the
Dewan of Mysore.

Sir,

With reference to Government Proceedings No: 2061-70 / R. 244 dated the 4th August 18[illegible] directing that no unoccupied Government land within half a mile of the boundary of any Railway station shall be given for private occupation of any kind without the previous sanction of Government I have the honor to state that one Kangayani Iyengar of Kasta Halli has applied for the grant for cultivation of 6 acres out of Survey No: 208 Hoy of that Village the total extent whereof is 52 acres bearing an assessment of Rs 82-4-0

2. The greater portion of this number falls within the prohibited area while the remainder viz: about 15 or 20 acres lies outside the limit and I think that the latter may well be thrown and given out for cultivation according to rules.

3. As under para 3 of the Government Proceedings under reference the rules therein contained apply to a full Survey number when a part of it comes within the limit of half a mile I have deemed this reference necessary and request that you will be good enough to obtain sanction

The land was duly put up for sale & has been purchased by the applicant.

At foot of the Shanbhog Certificate that there is no objection to the grant of the land for Cultivation.

The Shanbhog's report that the land is within ½ a mile from the R^y station was received after the Mudki sale had been held.

This state of things leads one to infer that —

(1) Either the lands within ½ mile from the R^y station have not been marked on the Village Maps & in the Khetwar, or

(2) That the Shanbhog omitted to refer to the Village accounts before writing his certificate —

In cases of Districts through which the R^y Line passes may be required to report, at once, whether such lands have been marked in the Village Maps & Khetwars concerned — as is

Dockets Nos. 157—398 and 458—399, dated 16th December 1894, from the Deputy Commissioner of the Chitaldrug District, regarding the grant of certain lands within half a mile of the Chickjajur and Saslu Railway Stations.

(2) Also Letter No. 1905—441, dated 16th November 1894, from the Deputy Commissioner of the Kolar District, regarding the grant of certain land partly within half a mile of the Malur Station.

No. 22293-300—R. F. 215-92, DATED BANGALORE, 31ST MAY 1895.

ORDER THEREON.—The Deputy Commissioners of Chitaldrug and Kolar solicit sanction to the grant for cultivation purposes of the marginally noted lands situated within half a mile of the boundary of the Railway Stations at Saslu, Chickjajur, and Malur.

1 Survey No. 11 (dry) of Mithagadur village, Holalkere Taluk.
2 Survey No. 50 (bagáyet) of Chickjajur, Holalkere Taluk.
3 Six acres out of Survey No. 268 of Kasba Malur, Kolar District.

2. In the first of the cases referred to, the Shanbhog has certified at foot of the Darkhast that there is no objection to the grant of the land for cultivation, and his report that the land is within half a mile of the Railway Station at Saslu appears to have been received after the Malki sale had been held. Such a state of things leads the Government to infer that either the lands situated within half a mile of the boundary of each Railway Station have not been marked on the village maps and in the Khetwar, or that the Shanbhog omitted to refer to the village accounts before attaching his certificate to the Darkhast.

3. The Deputy Commissioners of Districts through which any Railway line passes are therefore requested to report as early as practicable, whether such lands have been marked in the village maps and Khetwars, and send copies of the village maps concerned as required by Proceedings No. 2782-92—R. F. 215-92, dated 14th August 1894.

4. In the cases under reference there is no reason to grant the lands referred to for cultivation. The sale of lands in cases Nos. 1 and 2 must therefore be cancelled and the amount refunded to the parties concerned.
